

Badlands National Park Road Construction Updates

(Updated June 7)

Road Conditions: Expect 20 minute delays

Dillon Pass to Big Foot Road - Area is being paved (no centerline). The area around Panorama Point is soft and motorcycles are especially cautioned in that area.

Cedar Pass Hill Area

300 feet of gravel on Cedar Pass hill.

Some overlooks will have pavement removed.

There are piles of gravel in some of the overlook parking lots. Visitors are allowed in these areas unless paving operations are taking place.

Culverts

Multiple culverts will be replaced during the course of this project.

Northeast Entrance Station to Cedar Pass

Starting June 7 Northeast Entrance Station to Cedar Pass/Cliff shelf area (5 miles) will be dirt/gravel
